“ Αξέχαστη Ελενίτσα,

Δάκρυα βαθιάς λείπεις πλημμύρισαν την ψυχή μου που έφυγες.

Καλό ταξίδι, πάντα θα είσαι στην καρδιά μου καθώς και σε όλοι της οικογενειάς μου.

Αιωνία η μνήμη σου θα είναι.

Δεν το πιστεύω... Ντόρα Σπύρου.

“ My mother lived life to it's fullest....92 years to be exact....Let's take time to remember all the finest moments we experienced with her through the years. I was SO proud to be her son and as when we all look back at all the finest moments we spent with her, it tempers the pain. We spoke in Greek at least 95% of the time as she was so comfortable in having a conversation in her native language and we were blessed to take 9 trips together to our native land which I will keep forever in my heart. Mom was always in my corner from the start and she was one of my primary supporters when I fulfilled my dream of being a radio personality as both of my parents had an instinct that was my calling in life when they presented me with my first transistor radio during my youth, a journey that continues to this day. I know she will ALWAYS be with me while forging ahead on my own. For those who knew her, continue to look back at all the happy times we spent together as our dear relatives and friends past and present were blessed by her ever loving presence. A big thank you to ALL who showed me support and expressed their thoughts and prayers towards the end. Let us continue honoring her memory each and every day....I LOVE YOU, MOM! I'll ALWAYS be your son with a badge of honor and pride. RC

“ What I know of your mom, I know through our conversations, Ron. And one thing I know is true, and that is just how much she meant (and still means) to you. I have no doubt that she is smiling down on you every day as you continue to make her proud with your professionalism and dedication at your chosen profession. This was lovely. May she rest peacefully and live forever in your heart.

“ My Aunt, Elenitsa Carahalıs, was a beautiful woman in every sense of the word. In addition to having movie star looks, she was incredibly kind and generous. I will forever remember her infectious laugh-delivered with her head slightly cocked back and her mouth smiling. I will also remember her love of singing and dancing and celebrating. She truly came alive on the dance floor. She made delicious pastries, which she loved to share, both at holidays, and every day, during afternoon tea. She was like a second Mother to me. I miss her dearly and will always remember her.

“ From Elisabeth to Elenitsa
It is all like a dream. The four of us siblings were born in Lemnos Greece. Destiny decided for the three of us to come far away and leave there for the rest of our lives. We stayed together through the years. Together we celebrated the birth of our children and all their accomplishments. We were different personalities and characters, but with love and understanding, we overcame any obstacles and we

lived in harmony for almost a century. Eleni was all love. She loved us dearly and she appreciated our affection. She especially loved her husband George and her son Rudy who she was very close to and very proud of. She was beautiful as a young girl and had many admirers. She loved social life and she was fortunate to live this way with her husband George and after his passing, on her trips back and forth to Greece. To the country she loved and kept close to her heart. Through the years she created memories which gave her great pleasure. Our heart is bleeding because we were not there when death got her last breath, or to tell her we love her and say our final good byes. Wherever you are my beloved sister "Hora sou kali". Love Elisabeth

“ Rudy & I attended Hunter College together in the early 1980's. We both had a love for radio, & we met at the college radio station, WRFH. Rudy & I became best friends, & I got to know his mom Helen. She was a remarkable woman who was very loving to me. I had long hair & looked like a crazy musician at the time (hey, it was the early 80's) but she saw me for who I was & as Rudy's close friend. Her kindness & love made a difference in my life & I always appreciated her for that. God bless her beautiful soul.

“ Words can not describe the sadness we are feeling for the loss of our beloved Thea Elenitsa. She has loved us all as if we were her own, and has shared in all our joys and accomplishments. She lived her life to the fullest, with friends, family and most of all "Glendi". A role model for all.
We love you Thea. May you Rest In Peace.
Love, Michael, Ellen, Maggie, Claire
