“ I first met Joseph and his beautiful mother Elda in the fall of 2017. Joseph and I got off to a rough start due to a mistake that was totally my fault. I corrected my mistake, made my apologies and from that moment on we got along like a house on fire! I always looked forward to seeing him and talking with him because his personality was larger than life and always left me feeling happy. The thing about Joseph, and I always called him Joseph, was you could see straight through to his heart, his good, caring, warm, fun loving, rascally heart. The last time I saw him we had our usual catching up conversation and as he was leaving he said to me "I love you Linda" and I quite naturally said "I love you also Joseph" and I meant every one of those words from the bottom of my heart. I will carry my memories of Joseph for a long, long time. My heart goes out to his beloved mother Elda as well as his sister Paula and her family, you all are in my thoughts and prayers.

“ I am heart-broken to learn of Rocky's passing. Rocky and I went to #5 School together since the third grade. Even in third grade, Rocky was charismatic, kind and fun-loving. He always wore a smile that invited you to talk and spend time with him. When I would happen to meet Rocky around town, he always greeted me with his warm smile and a bear hug. He made a person feel that they were the most important individual in his life. My sincerest sympathy to Mrs. Maggi, Paul Jean and Christina.
